Usage

All images in this folder are offered to you by [Kleor](www.kleor.com). You are free to use them as you see fit, without restriction. If you have Photoshop or a good image editor, you can edit them and change the texts of the buttons with the files in the *PSD* folder. The images in other folders are grouped by size:

    – the *480* folder contains the images whose width is 480 pixels

    – the *360* folder contains the images whose width is 360 pixels

    – the *300* folder contains the images whose width is 300 pixels

    – the *240* folder contains the images whose width is 240 pixels

    – the *180* folder contains the images whose width is 180 pixels

    – the *120* folder contains the images whose width is 120 pixels
